

Mavericks Square Dance Club Square Dealing News, February 2, 2018

Please, Check Your Feet

It has been noted there are significant black scuff marks on the floor in the Veterans' Hall. There are many groups that use the hall for dancing and assemblies. As one of those groups, we need to keep vigilant and if we see this is happening, do what we can to stop it. Better yet, we need to do what we can to take care of the facility and prevent it. Please, take a good look at the shoes you wear when you come to dance. If they have the tendency to leave scuffs and scratch the floor, choose some different shoes for dancing. Hard, stiff soles are often the culprit when it comes to scuff marks and lines on wooden floors. We don't want to lose our beautiful hall. If you are not sure of whether or not your shoes might damage the floor, here is an article that explains how to tell: <https://www.leaf.tv/articles/how-to-check-if-a-shoe-has-nonmarking-soles/>.

Thank you for helping to solve this issue and keep our dance hall in good condition.

Valentine Dance - February 10th
